STUDENT INITIAL SURVEY

Use this survey to learn about the students in your program.

This survey will help us learn about you and the other students who are participating in the CPA Martin Mentorship Program. It is important for us to learn as much as we can about what you get out of your participation and how we can improve the program to make it even better. It is important that you answer each question as honestly as you can. Remember that there are no right or wrong answers.
