

CPA PREPARATORY COURSES

# SYLLABUS

Intermediate Financial Reporting 1

## Purpose

The purpose of this syllabus is to provide information about the Intermediate Financial Reporting 1 CPA preparatory course. This document has been produced for current and potential students and those who advise them; and others in the professional, academic, and general community.

## Course Overview

### Course description

This six-week core course builds on the introductory financial accounting skills that are acquired in the Introductory Financial Accounting course. This course covers fundamental accounting concepts consistent with the methodology used in the *CPA Canada Handbook — Accounting*. The topics covered in Intermediate Financial Reporting 1 form the basis for the other financial reporting courses.

### Course prerequisites

The prerequisites for this course are the following courses or equivalent post-secondary courses:

\* Introductory Management Accounting can be taken concurrently with, but not prior to, Introductory Financial Accounting.

### Resources

See the Student Guide for a comprehensive list of course resources.

### Grading

See the Student Guide for the course grading structure.

## Course Outline

The following topics are covered in Intermediate Financial Reporting 1:

### Unit 1

- Discuss the *Conceptual Framework for Financial Reporting* from an International Financial Reporting Standards (IFRS) perspective.
- Discuss differences in the conceptual framework between IFRS and Accounting Standards for Private Enterprises (ASPE).
- Discuss standard setting in Canada.
- Discuss the *CPA Canada Handbook — Accounting*, identifying the four parts that are included in the *Handbook* and providing guidance on how to locate information within the *Handbook*.
- Discuss the statement of cash flows under IFRS and the differences between IFRS and ASPE.

### Unit 2

- Review the basic components of financial reporting for revenue recognition from an ASPE and IFRS perspective.

### Unit 3

- Review specific applications of financial reporting for revenue recognition from an IFRS perspective and the differences between IFRS and ASPE.
- Discuss the methods of estimating inventory.
- Review the basic components of financial reporting for intangible assets and goodwill from an IFRS perspective and the differences between IFRS and ASPE.

### Unit 4

- Review the basic components of financial reporting for passive investments from an IFRS perspective and the differences between IFRS and ASPE.
- Discuss financial reporting for impairment from an IFRS perspective and the differences in the treatment of impairment between IFRS and ASPE.
- Review the basic components of non-monetary transactions from an ASPE perspective and the differences between ASPE and IFRS.

## Unit 5

- Review the basic components of accounting for government grants from an IFRS perspective and the differences between IFRS and ASPE.
- Discuss financial reporting for contingent outflows and contingent inflows from an IFRS perspective and the differences between IFRS and ASPE.
- Review the financial reporting requirements of discontinued operations under IFRS and ASPE.
- Review the basic components of financial reporting for non-current assets held for sale from an IFRS perspective and the differences between IFRS and ASPE.
- Review the basic components of related party transactions in profit-oriented financial statements from an ASPE perspective and the differences between ASPE and IFRS.

## Unit 6

- Discuss accounting for long-term financial liabilities from an IFRS perspective and the differences between IFRS and ASPE.
- Discuss accounting changes, including changes in accounting policy and changes in estimate, from an IFRS perspective and the differences between IFRS and ASPE.
- Discuss accounting for errors from an IFRS perspective and the differences between IFRS and ASPE.
- Discuss financial reporting for subsequent events from an IFRS perspective and the differences between IFRS and ASPE.
