2017 PUBLIC SECTOR CONFERENCE

Connect with Industry Leaders Through CPA Sponsorship

CPA Canada Professional Learning and Development provides unparalleled opportunities for credible exposure with a carefully targeted audience of senior decision-makers.

Organizations sponsor CPA Canada events, year after year, to reinforce one-to-one business relationships and build new ones. Increase your visibility with progressive CPAs from industry, public practice and small firms who have come to learn from today's industry leaders and hear from valuable suppliers of the products and services they need.

Position your organization at the top — associate your brand with the enhanced credibility and image of a relationship with CPA Canada.

**Secure your
CPA sponsorship

Public Sector Conference

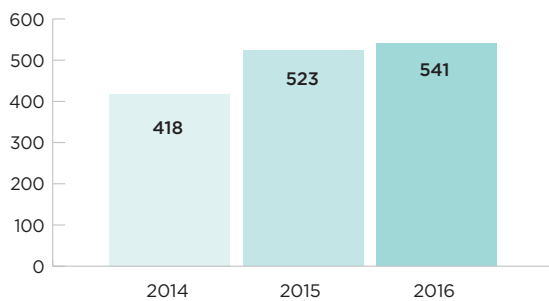

October 23-24, 2017
Shaw Centre | Ottawa, ON
Two-day conference

**Estimated attendance: 300 in-person
 and 200 via live stream**

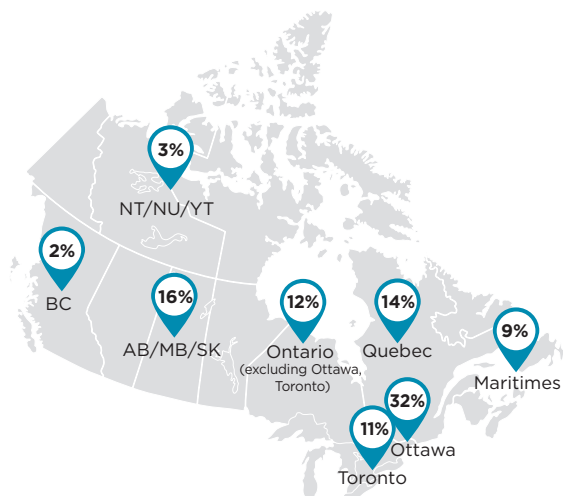

This annual event in the nation's capital is the place to be for all senior financial professionals in public sector and not-for-profit organizations who follow standards issued by the Public Sector Accounting Board (PSAB).

The conference features a robust, multi-track agenda that allows the attendees to customize their learning experience.

Increase in participants (including speakers)

Geographic summary of participants

Sessions include

- important PSAB updates
- the most innovative practices in government financial management, including:
 - innovation and risk management
 - open data and transparency
 - evidence-based decision making and data analytics
 - adaptability and resiliency

Audience

- senior financial professionals working in the public sector or in not-for-profit organizations using standards issued by PSAB
- auditors and other financial professionals who serve the public sector
- broader public sector financial statement users who need to understand financial reporting under standards issued by PSAB

83% of 2016 attendees worked in government

Public Sector Conference Sponsorship Opportunities
