

FEDERAL BUDGET COMMENTARY 2020

In-depth and professional

The *Federal Budget Commentary* is a valuable resource for professional accountants in public practice and industry. It is produced each year by a team of leading tax specialists on the night the Minister of Finance presents the new Federal Budget. This guide offers a thorough and timely examination of the most relevant policy changes that affect business, taxation and finance.

For CPAs in public practice

Reinforce the value of your firm's services to clients. Use it to:

- Communicate up-to-date tax changes that may affect your clients. Reproduce it on your firm's letterhead and distribute by print or email the day after the budget is released.
- Highlight areas of major concern to specific clients.
- Attract new clients to your firm by posting the commentary on your firm's website.
- Be fully prepared to field incoming questions from clients, so you can help them deal with new measures that directly influence their personal and business financial planning.

For CPAs in industry

Stay on top of the changes that affect your business. Use it to:

- Help your staff quickly assess budget measures and their implications by circulating the commentary in-house.
- Email the commentary to key stakeholders who may be concerned about the latest fiscal policy.
- Stay abreast of important tax changes that may have ramifications for your business.
- Publicly address key changes by posting the commentary on your company's website.

AN EXCLUSIVE DEAL FOR \$250

Your purchase includes:

- A copy of the commentary in both Word and PDF formats delivered to your inbox the morning after the Budget is released.
- Unrestricted use of its contents. This includes unlimited reproduction with no requirement to include an acknowledgement to CPA Canada, so the information can be tailored to address your needs.

CPA CANADA'S FEDERAL BUDGET COMMENTARY 2020

Delivered in both Word and PDF format, the commentary is professionally designed for distribution to clients and stakeholders. You can also adjust the Word file to include your firm or company logo.

Please return this form along with a method of payment to your provincial accounting body or a CPA Canada contact below. The commentary is subject to applicable taxes and is available in English only.
